SALUTON !

En la nomo de la Brita Esperantistaro ni danke kaj ame salutas nian Akademiestron, Profesoron Th. Cart, kiu festas sian 75-an jaron je la 31-a de Marto.

TO PROPAGANDISTS.

Two publications have just appeared to which we call attention. Mr. Bernard Long has issued an entirely re-written and up-to-date version of the old *Passing of Babel*, under the title *Esperanto: Its Aims and Claims* (62pp., 6d., cloth 1/-). It is difficult to imagine a more reasonable and convincing presentation of the case for Esperanto, and we cordially hope that our members will give it a warm welcome and a wide circulation.

A new leaflet; *Esperanto in the School* is a clear and concise statement of the claims of Esperanto as an educational subject. Members should send copies to all teachers whom they wish to interest. (8pp., 1d., 12 for 9d.).

21st BRITISH ESPERANTO CONGRESS, Nottingham, Whitsuntide, 1930.

New Members:—S-ro MERRICK, S-ino MERRICK, S-roj PICKARD, F.B.E.A., BAKANDALL, BUCHANAN, WILKINS, BALLARD, MALING, F-ino MILLER, F-inoj GOSSLINC, S-ro MINTEN, S-ino IBBETSON, S-ino HAWKSWORTH, Kol. ROBINSON, S-ino ROBINSON, F-ino M. F. HONE.

Many members have not yet stated whether or not they wish lodgings. Private rooms may now be had at 5/- to 6/-, bed and breakfast.

Your early attention will be welcomed. Already over 120 have joined.

The Congress will follow the usual lines, with Mr. Merchant and Prof. Collinson as speakers at the public meeting under the kindly presidency of the Lord Mayor.

A Communal Tea has been arranged for Sunday at 1/6 per head. The extension is too good to miss. The Handbook will be sent out soon. Fuller details will be found in the current *International Language*.

This being our 21st Birthday, every Esperantist must help to the utmost. The International depends on the National, as that does on the group, and all on the individual. The Committee would be delighted to cater for 500, and 500 is far too few. Supposing all lived in Nottingham, that would only be one in 500 of the population!! So roll up, in ones, certainly, but also in 10's and 20's. We will take you all in and do for you!! Congress Tickets 3/6 (5/- after April 30th).

ROBERT ANDERSON, *Secretary*,
72 Wilsthorpe Road,
Long Eaton, Nottingham.

SCOUTS' ESPERANTO LEAGUE.

At the International Scouts' Jamboree held in August, 1929, near Birkenhead, the need for an Auxiliary Language was painfully apparent. The Scouts' Esperanto League held a Camp in Arrowe Park, and distributed nearly 20,000 leaflets, with several hundreds of copies of a special edition of its magazine "Skolta Heroldo," and thus interested a great number of Scouts in Esperanto.

The League now has a membership of 600 Scouts, comprising 30 different nationalities, and as a result of the propaganda at the Jamboree great interest has been aroused. It has now become *imperative* to extend our propaganda to cope with the demand. To this end the Central Committee of the League has decided to endeavour to raise a sum of £400 as an endowment for future propaganda.

From the foundation of the League a most conservative financial policy has been followed. By exercising the most stringent economy the committee has managed to keep expenditure within the limits of income. This has necessitated the abandonment of all but the barest minimum propaganda. In view of the present urgent need, and to avoid making frequent appeals to members and friends in the future, it has been decided to raise a Capital Fund of £400.

In order to pursue their sound financial policy, the Committee has decided that all sums received on behalf of the Capital Fund shall be invested in Trustee Securities, and that the income therefrom alone shall be used. When the total amount has been received, an annual amount will be realised nearly commensurate with the needs of the League for propaganda, and the balance will be made up from members' subscriptions. This will be a distinct advance upon the present system, whereby the League is compelled to wait until the last moment to see how much is available before undertaking any propaganda effort. We have thus shewn briefly the urgent necessity for this appeal. The membership of the league is composed very largely of Scouts who are not in a position to contribute largely towards the cost of propaganda, but who assist to the utmost of their capacity. In asking for the most generous assistance which readers can afford, the Committee give the assurance that it will be most thankfully received and faithfully applied.

Donations will be acknowledged direct by the Treasurer, and also published in the League's Magazine *Skolta Heroldo*.

D. H. DAVIS, Treasurer, S.E.L.,
