### De Sacris Oleis.

Praeceptum renovandi Olea obligat *sub gravi*. Attamen, si novum Oleum haberi non possit, antiquo uti licitum est, si vero hoc non sufficiat, aliud non consecratum, in minori tamen quantitate, quam vetus, addere fas est. Idque saepius fieri potest, quamvis paulatim longe etiam maior quantitas addatur, quae ab Episcopo consecrata fuit initio, modo tamen in unaquaque mixtione minor sit parte, in quam infunditur. Novis habitis Oleis, vetera in ecclesia comburenda sunt. Si quod remanserat in ampullis, ponitur in lampadibus ecclesiae ante Ss. Sacramentum, ut comburatur. Reliquum autem, quod est in capsulis, cum bombyce, igne comburitur et cinis in sacrarium proiicitur. Olea Sacra conservanda sunt in suis vasculis argenteis vel stanneis, bene obturatis et mundis, in loco honesto, proinde in ecclesia, vel sacristia et quidem sub clave.

# I. Quaedam scitu digna pro sacrificio Missae.

---

1. Altaria portatilia, ex duabus tabulis confecta, quarum altera lapidea, altera lignea est, admitti nequeunt; et Reliquiae recondendae sunt in sepulchro intra lapidem effoso et claudendae sunt cum parvo operculo etiam ex lapide confecto. — Sedulo advertendum est ad materiam panis ac vini pro sacrificio Missae, ut sit valida. — Lumina in sacrificio Missae super mensa Altaris nonnisi ex cera esse debent. Candelae ex stearina pro usu sacro prohibentur. Candelae ex sevo confectae in Ecclesiis non permittuntur, contrarius usus, durante bello inductus, eliminandus est.

2. *Oratio sive collecta imperata pro anno 1924 est sola Oratio pro Papa* (Nr. 4 inter „*Orationes diversas*“) quae, postulante necessitate, una ex orationibus: aut *Ad petendam pluviam* (Nr. 16), ut *Ad postulandam serenitatem* (Nr. 17), aut *Pro Pace*, aut *Pro quacunque tribulatione* (Nr. 13) substitui poterit. *Orationes istae* (nisi sint quasi pro re gravi praescriptae) omitti debent: 1. in duplicibus I et II classis (etiam in Missis lectis); 2. in Dominicis I et II classis; 3. in Feriis, Vigiliis et Octavis privilegiatis; 4. in Missa votiva pro re gravi et publica simul causa vel ad instar solemnium; 5. quoties in Missa, juxta Rubricas, jam quatuor dictae sunt *Orationes*, vel etiam quando 4-a or. est de SS-mo Sacram. Diebus, quibus praescribitur *oratio pro persecutoribus Ecclesiae* vel *pro Papa*, una harum oratione utrumque adimpletur praeceptum. Quoties or. imper. omittenda est, in *Ordine* signabitur (O. C.).

3. *Alias orationes* in Simplicibus et Ferialibus, nec non in Missis Votivis, Celebrans pro sua devotione adiungere potest, dummodo non excedat numerum septenarium.— In anniversario propriae ordinationis sacerdotalis, a die fixa mensis computando, si Vigilia Nativitatis vel Pentecostes, Dominica Palmarum aut Duplex I cl. non occurrit, secus autem in proximiori sequenti die, quae a Duplici item I cl. sit libera, cuivis Sacerdoti licet, extra Missas Defunct. et post orationes a Rubricis praescriptas, addere orationem *Pro seipso sacerdote*, ut inter „*Orationes diversas*“.

4. *Missae Votivae privatae*. Missae Votivae privatae ex rationabili causa legi possunt arbitrio Sacerdotum, juxta tabellam pro Missis votivis, quandocumque Officium non est duplex, aut de Dominica etiam anticipata vel reposita.

*Prohibentur item: 1. infra Octavas privilegiatas; 2. toto tempore quadragesimali; 3. in fériis IV Temporum; 4. in fériis Adventus a d. 17 ad 23 Decembris inclusive occurrentibus; 5. in feria II Rogationum; 6. in Vigiliis; 7. in Commemoratione Oo. Fid. Def.; 8. diebus Rogationum, si fiat Processio, in Ecclesiis, unam tantum Missam habentibus; 9. in diebus Octavis simplicibus, etiam si de eis Commemoratio tantum facta fuerit in Officio.* — Haec Missa Votiva dici potest de quolibet relato in Sanctorum Canonem, nempe de quolibet Sancto, cuius memoria fit in Breviario aut in Martyrologio; dici vero non potest de Beatis, illis exceptis, de quibus Officium concessum est; nec de Tempore; nec de Mysteriis, exceptis de SS. Trinitate, de Spiritu Sancto, de SS. Sacram., de S. Corde Jesu, de Cruce et Passione. — Missa Votiva de BMV. sumitur una ex quinque juxta temporum qualitatem itemque Missa VII Dol. BMV. et de Immaculata Concep. — Missa Vot. de Sanctis sumitur de Communi, nisi habeatur propria. mutatis tamen mutandis juxta temporis qualitatem.

**5. Missae Votivae solemnes.** Singulis diebus, extra Dominicas I cl., Vigilias Nativitatis Domini et Pentecostes, Ferias privilegiatas, Duplia I cl., et Commemor. Oo. Fid. Def., permittitur pro re gravi et publica simul causa Missa Votiva solemnis, quae, *de mandato vel consensu Ordinarii*, pro qualibet vice obtinendo, in cantu celebratur cum concursu populi. Haec tamen Missa cani nequit die, in qua fiat Officium aut Commemoratio, vel occurrat Vigilia aut dies infra Octavam quamvis simplicem, de identico Domini Mysterio, vel de eadem Sancti Persona, de qua esset canenda Missa; tunc cantatur Missa de Officio cum commemorationibus Votivae.

**6. Missa Votiva de SS. Corde Jesu.** Hanc Missam licet celebrare prima cujusvis mensis Feria VI. in Ecclesiis et Oratoriis, ubi peculiaria exercitia pietatis, *approbante Ordinario*, in honorem Divini Cordis mane peraguntur. *Prohibetur:* in Festis Domini, in Festo Purif. BMV., in duplicibus I classis, in Vigilia Epiphaniae, Feria VI. in Parasceve, infra Octavas Epiphaniae, Paschatis, Ascensionis, Feria VI. post Octavam Ascens. (loco hujus Votivae dicenda est Missa de feria VI cum iisdem tamen privilegiis Missae Votivae solemnis), Pentecostes et Corporis Christi et aliorum Festorum Domini, si de eis fiat Officium; in Commemoratione Oo. Fidel. Def.; diebus festivis etiam suppressis, in Ecclesiis parochialibus unam tantum Missam habentibus. — Haec Missa celebratur cum unica Oratione, cum *Gloria* et *Credo*; si unica est Missa in Eccl. cantata, tunc in dupl. 2 cl. 2 or. duplicitis, vel fer. Adv., Quadrag., Quat. Temp., Vigiliae et UE. fer. vel festi 2 cl., si habeat

propriam; ad Introitum vero, Offertorium et Communio-nem *Alleluja*, extra Tempus Paschale, omittuntur.

7. **Missa Votiva pro sponsis.** Tempore, quo juxta Cod. Iur. Can. nuptiarum solemnitas permittitur, dici potest in solemani Matrimonii adsistentia Missa pro sponsis, etiam tempore clauso, accidente Ordinarii licentia ac justa causa. Haec Missa *prohibetur*: diebus Dominicis et festis de praecepto, etiam suppressis; in duplicibus I et II classis; in Vigiliis Nativitatis, Epiphaniae et Pentecostes, infra Octavas Epiphaniae, Paschatis, Pentecostes et Corporis Christi; in Commemoratione Oo. Fidel Def., Fer. IV. Ciner. ac tota Majori Hebdomada, diebus Rogationum, si fiat Processio in Ecclesiis parochialibus unam tantum Missam habentibus. — Haec Missa dicitur sine *Gloria* et sine *Credo*, cum *Benedicamus D-no* in fine et Evang. S. Joannis aut Vig., vel Feriae, si de ea facta sit commemoratio. Tres dicuntur Orationes; si vero celebretur in Festo ritus duplicis, fiunt tantum Commemorations occurrentes et omittuntur tertia Or. de tempore. — Diebus ut supra impe-ditis, legitur Missa de die, cum Commemoratione pro sponsis sub unica conclusione cum prima, atque datur benedictio pro eis propria. Haec porro benedictio numquam dari potest extra Missam, si tum Missa pro sponsis, tum ejus Commemoratio non sumitur, ideoque benedictio locum habere nequeat, si sponsi non sint praesentes, vel si uterque, aut alteruter alias benedictionem acceperit; servata nihilominus consuetudine benedictionis, ut supra impertiendae, si hanc vir tantum obtinuerit. Quod si nuptiae tempore clauso contractae fuerint, non concessa a loci Ordinario venia benedictionis nuptiarum, Missa cum propria benedictione differtur ad diem, in qua, extra tempus clausum, Missa pro sponsis vel ejus Commemo-ratio permittuntur.

8. **Missae Conventuales.** Quando Missae Conv. plures juxta rubricas Missalis erunt dicenda*e*, i. e. si fiat Officium duplex aut semiduplex — per to'am Quadragesimam (exceptis Dom.), in Feriis IV Temporum, in Vigiliis (except. Nativit., Epiph., et Pent.), in feris Rogationum, altera canitur in Choro de Officio diei, altera legitur post Horam respectivam extra Chorum; exceptis Missis de Rogationi-bus majoribus et minoribus, quae canuntur, ut suo loco notatur. — Attamen infra Octavas (excepta Oct. SS-mi Corporis Chr.), una tantum dicitur Missa de Feria majori vel Vigilia occurrente cum Commemor. Octavae.

9. **Missa in Oratorio privato.** Missa in Oratoriis privati, excluso speciali privilegio, *prohibetur*: in festis — Nativit., Epiph., Paschatis, Ascensionis, Pentec., Assump-tionis BMV., Immaculatae Conc., S. Joseph Sp. BMV.,

Ss. App. Petri et Pauli, Omnim Sanctor., Dominica, in quam transfertur solemnitas externa Patroni principalis, aut SS. Corporis Christi, in triduo Maj. Hebdom. — Oratorium privatum illud dicitur, quod in privatis aedibus in commodum alicuius tantum familiae vel personae privatee erectum est. In oratoriis domesticis unica tantum Missa celebrari potest eaque lecta, exceptis diebus, de quibus supra.

10. **Missa solemnis de Titulari vel de alio transferendo,** aut simplificando aut accidentaliter omittendo, quod cum populi concursu (cuius rei judex est Ordinarius) celebratur, *prohibetur*: in Dominicis I. classis; Eeria IV. Cinerum; tota Majori Hebdomada; Feris 2 et 3 infra Octavam Paschatis; Feris 2 et 3 infra Octavam Pentecostes; in Festis Nativitatis Domini, Epiphaniae, Ascensionis et Corporis Christi. Haec Missa celebratur cum *Gloria* et *Credo*, et cum Praefatione propria, si adsit. Si festum impeditum habeat ritum I cl., tunc additur commemoratio tantum de festo II cl., Dom., de Feria majori non privilegio, de Rogationibus, de Vig. Epiph. et de Oct. priv.; si II cl., adduntur duo. Commemoratio occurrentes, excepta Commemoratio diei infra Oct. comm., diei Oct. simpl. et festi simpl.; si ritum inferius, tunc summuntur omnes Commemorationes. — Quod si duae celebrarentur Missae solemnies, seu Conventuales, nempe una de Officio currenti, alia de Festo transferendo, aut simplificando, aut omittendo, in hac secunda Missa unica tantum dicitur *Oratio*, exclusa quacumque Commemoratione, et in eius fine dicitur *Evang. S. Joannis*.

11. **De Missis Defunctorum.** Quoties Missae defunctorum privatee dici possunt, indicabitur in *Ordine notulis* (DV. vel D.). *Missa de die obitus et depositionis* in Ecclesia, in qua agitur funus exsequiale etiam absente, rationabilem ob causam, vel jam sepulto cadavere, unica cantata, vel pro pauperibus lecta. *prohibetur* tantum in duplicitibus I cl. primariis univ. Eccl. (exceptis feriis II et III Pasch. et Pent., in quibus permittitur), in festis Dedicationis ac Tituli Ecclesiae ipsius, in qua funus agitur, nec non Patroni principis loci, et, pro Religiosis Institutis, in Festis Tituli aut sancti Fundatoris Ordinis seu Congregationis; dummodo haec festa non fuerint eo anno quoad solemnitatem translata, quo in casu prohibetur in Dominicis, in quibus agitur solemnitas externa festorum hujusmodi. Quoties autem a Rubricis, ut supra, haec Missa impediatur, transferri potest in proximiorem sequentem diem, similiter non impeditam. — *Missa solemnis vel cum cantu vel etiam lecta de Requie, die 3, 7 vel 30 et Anniversaria ab obitu, aut depositione, vel alia die a testatoribus determinata, vel die opportuniori post acceptum*

nuntium prohibetur: in Dominicis et Festis de paecepto, etiam suppressis, in duplicibus I et II classis, in Vigiliis Nativit. Dni, Epiphaniae et Pentecostes, infra Octavas Nativit. Dni, Epiphaniae, Paschatis, Ascensionis, Pentecostes et Corporis Christi, Feria IV. Cinerum, tota Majori Hebdomada, durante expositione sol. SS. Sacramenti, diebus Rogationum, si fiat processio, in Ecclesiis parochialibus, unam tantum Missam habentibus. Si haec Missa praefatis diebus sit impedita, anticipari, vel transferri potest in proximiorem diem pariter non impeditam, dummodo in cantu celebretur. Item *infra Octavam Oo. Fidel. Def.* Anniversaria late sumpta pro fidelium pietate celebrari possunt. — Aliae *Missae pro Defunctis* in cantu celebrari possunt, quandocumque Officium non est duplex aut Dominica. *Prohibentur* tamen: infra Octavas Nativit. Dni, Epiphaniae, Paschatis, Ascensionis, Pentecostes et Corporis Christi; Feria IV. Cinerum; tota Majori Hebdomada; toto Quadragesim. tempore, excepta in unaquaque hebdomada prima die libera a festo ritus duplicitis; in feriis Quatuor Temporum; in feria II Rogationum; in Vigiliis; in Feriis, in quibus anticipanda vel reponenda sit Missa Dominicæ; durante expositione sol. SS. Sacramenti; Feria III Rogationum, si fiat processio, in Ecclesiis unam tantum Missam habentibus. — *Missae quotidianae Defunctorum sine cantu* iis tantum permittuntur diebus, in quibus fiat Festum semiduplex, Offic. de die *infra Oct. commun.*, de Feria VI post Oct. Ascens., de Feria majori Adventus, de S. Maria in Sabb., de Festo Simplici et de Feria minori per annum; dummodo Octavae privileg., Feriae Quat. Temp., Feria II Rogat., Feriae Antiphonarum majorum a die 17 od 23 Decembris inclusive, aliqua Vigilia, aut dies Octava simplex non occurrant, nec primo resumenda sit Missa alicujus Dominicæ impedita. In Quadragesima *Missae quotidianae Defunctorum sine cantu* permittuntur prima tantum die ejusque Hebdomadae libera, in qua nempe fiat de festo semiduplici aut de Feria non privilegiata. — In *Sacellis supulcreti*, rite electis, vel etiam Ecclesiis aut Oratoriis publicis ac principalibus ipsius sepulcreti, Missam de Requie quocumque die dicere licet, exceptis tantum Festis duplicitibus I aut II classis, Dominicis ac Festis de paecepto, etiam suppressis, Feriis, Vigiliis et Octavis privilegiatis.

12. *De Missis Defunct. vi privilegii S. Sedis.* Sacra Rituum Congregatio, utendo facultatibus, sibi specialiter a S. Sede tributis, benigne hodierno Illmo ac Rmo Episcopo Vilnensi pro gratia annuit, ut in Ecclesiis dioec. Vilnen. *Missae de Requie cum cantu duabus in quavis hebdomada diebus* celebrari possint. Quocirca notandum est:

1. Indultum esse *locale non personale*, id est: non cuilibet sacerdoti licere bis per hebdomadam vi praedicti indulti celebrare Missas de Requie, qui voluerit, sed in qualibet ecclesia duabus diebus per hebdomadam ab ejusdem Ecclesiae rectore assignandis, Missae in colore nigro etiam a pluribus sacerdotibus cantari possunt. 2. Dies vero pro praedictis Missis assignandi non sint: duplicita I vel II class., festa de praecepto, Dominicæ, tandem Octavae, Feriae et Vigiliae privilegiatae. 3. Numero duarum dierum per hebdomadam nil obstare Officium inferioris ritus (*sdx* aut *spx.*) eadem hebdomada occurrens. Etsi igitur bis vel etiam ter eadem hebdomada Off. *sdx.* cadat, nihilominus tamen indultum pro reliquis duabus diebus, Officio duplici majori vel minori occupatis, valet. 4. Tandem Missa cantanda est *quotidiana*—Or. 1-ma juxta intent. celebrantis, 2-da *ad libit.*, 3-tia *Fidelium Deus et Sequentia*.

13. **Binatio Missarum.** Excepto die Nativitatis Domini et die Commemorationis Oo. Fidel. Def., quibus facultas est ter offerendi Eucharisticum Sacrificium, non licet sacerdoti plures in die celebrare Missas, nisi ex apostolico indulto aut potestate facta a loci Ordinario; unde nemo binare licite potest sine licentia Ordinarii expresse data, et quidem solummodo diebus Dominicis aut festivis de praecepto, quando notabilis fidelium pars uni Missae adstare non potest et deest alius sacerdos. Habitualis facultas binandi conceditur die Dominica Resurrectionis Domini eis parochis, qui soli in paroecia sunt ita, ut unam Missam summo mano statim post Officium Resurrectionis, alteram hora consueta celebrare queant.

## II. Quaedam ad cultum SS. Euchar. spectantia.

1. **Lampas** coram SS-mo Sacramento ante Altare continuo ardeat est necesse; ad lampadem nutriendam coram SS-mo Sacram. ardenter generatim utendam est oleo olivarum; ob varias tamen hodiernas difficultates nutritri potest haec lampas ex aliis oleis, quantum fieri potest, vegetabilibus. SRC. 311.

2. **Ritus in solemni et privata expositione SS-mi Sacram.** ac cum Eodem benedictione strictissime observandus est hic, qui haud semel in Directorio Div. Officii (1905 et 1914 a.) tradebatur ac ab Ordinariis praescriptus est pro dioecesi nostra, excepto, quod omitti potest cantus versic.

*Ecce pampi tenendo Ostensorium et similis ritus in cantu

versus ad populum tenere Ostensorium.*

**Tabernaculum**, in quo asservatur Ss. Sacramentum, debet esse omni alia re vacuum, nec in eo asservari possunt vasa Sacrorum Oleorum, vel Reliquiae, vel quidquam aliud. Super tabernaculo nunquam flores collocari possunt, nec figura Agni, sola crux excipitur. Intus debet esse panno serico albi coloris decenter contectum, vel etiam pannis aureis vel argenteis, vel etiam intus deauratum tantum.

**Clavis** tabernaculi nunquam relinquendus est in ostiolo tabernaculi, neque in altari, licet sub panno altaris absconditus, sed conservandus est aliquo tuto loco in sacristia; hoc requirit reverentia Ss. Eucharistiae debita, neconon periculum profanationis.

**Conopeum**, seu **velum** ad instar tentorii, quo tabernaculum cooperitur, est obligatorium, neque a conopeo adhibendo excusat consuetudo contraria, quae etsi adsit, servari non potest (*SRC. in Briocen. 21 Jul. 1855 ad 10; 1 Jul. 1904; Rit. Rom. lit. IV, e. l. n. 6*). Potest autem conopeum confici ex panno, sive gossypio, sive lana, sive cannabe contexto.

The month of January is the first month of the year, and often the coldest month. It is also the month of the birth of Jesus Christ, and the month of the New Year in many countries.

The month of January is often called "the dead month" because it is the time when many animals die of cold and hunger. It is also the time when many birds migrate southward to warmer climates. The month of January is also known as "the month of the dead" because it is the time when many people die of cold and hunger.

Whence it may appear that the  
whole of the matter of the  
present dispute is contained in  
the following two points:—  
1. Whether the author of the  
Treatise on the Constitution of  
the United States, in his opinion,  
the Constitution did not give  
to Congress power to regulate  
Commerce with foreign nations,  
and with the Indian Tribes;  
2. Whether the author of the  
Treatise did not consider that  
the power of regulating Commerce  
with foreign nations, and with  
the Indian Tribes, was given to  
Congress by the Constitution.  
The author of the Treatise on the  
Constitution of the United States,  
in his opinion, did not consider  
that the power of regulating Com-  
merce with foreign nations, and  
with the Indian Tribes, was given  
to Congress by the Constitution.  
The author of the Treatise on the  
Constitution of the United States,  
in his opinion, did not consider  
that the power of regulating Com-  
merce with foreign nations, and  
with the Indian Tribes, was given  
to Congress by the Constitution.

Now, if you will consider the  
Treatise on the Constitution of  
the United States, you will find  
that the author of the Treatise  
on the Constitution of the United  
States, in his opinion, did not  
consider that the power of regu-  
lating Commerce with foreign  
nations, and with the Indian  
Tribes, was given to Congress  
by the Constitution.

and the first month of the year, April, is the time when the sun is at the point of the zodiac where the signs of Aries and Taurus meet. This is the time when the days begin to grow longer than the nights, and the sun's rays become more powerful. It is also the time when the earth begins to wake up from its winter sleep, and new life and growth are visible everywhere. The name April comes from the Latin word "Aprilis," which means "the month of the opening of the gates." This refers to the fact that in ancient times, the gates of the temples were opened on the first day of April, and people would go out to celebrate the arrival of spring. The month of April is often associated with the color green, because it is the time when trees and plants begin to sprout and grow. It is also a time of renewal and hope, as people look forward to the warmer weather and the promise of a new year. In literature and art, April is often depicted as a month of beauty and romance, with scenes of blossoming trees, flowers, and couples in love. The month of April is also known for its traditional customs, such as the celebration of Easter, the wearing of Easter eggs, and the tradition of April Fools' Day, where people play practical jokes on each other. Overall, April is a month of transition and new beginnings, marking the start of the spring season and the promise of a brighter future.

High up in the south of Africa it grows like a palm tree, with a stem 10' across and a crown of 10' or 12' long leaves.

It is a tall slender tree, 20' to 30' high, with a trunk 6" to 8" in diameter.

The bark is smooth, greyish-white, and the wood is light-colored, soft, and easily worked.

The leaves are long and narrow, 10' to 12' long, 1" wide, and have a pointed apex.

The flowers are white, bell-shaped, and hang in clusters from the leaf axils.

The fruit is a small, round, yellowish-orange, 1" in diameter, with a single seed.

The wood is used for building houses, furniture, and for making charcoal.

the first time, and the author has  
not been able to find any record  
of it in any of the books he has  
seen. It is a small, slender, dark  
brown bird, about 10 inches long,  
with a very long, thin, slightly  
curved bill, which is longer than  
the body. The feathers are  
dark brown, with some lighter  
colored spots on the wings and  
tail. The legs are long and thin,  
and the feet are webbed. The  
voice is a sharp, clear chirp,  
resembling the call of a sparrow.  
The bird is found in the  
forests and thickets of the  
interior of the country, and  
is most abundant in the  
mountainous regions. It is  
a very active and agile  
bird, and is often seen  
flying rapidly through  
the trees, or perched  
on a branch, looking  
around with its long  
bill. It feeds on insects,  
small birds, and other  
small animals, and is  
a valuable addition to  
the fauna of the country.

A U G U S T U S.

After turning over the readings to H. H. H. he  
concluded that the author of the book was  
a man who had written 128 books and had  
not written them in any order and  
that each book was composed of 100 pages  
and the total number of pages in all the books  
was 12,800. This is 3200 more than  
the number of pages in the 128 books  
and H. H. said but still less than 12,800  
and the next day he came to see H. H. and  
asked him if he had not made a mistake  
and H. H. said no, that he had not.

S E P T E M B E R.

and I intended to make some  
of the day, but I did not get away.

After a walk in the woods, I went to the  
lakeside and sat down on a log.

It was a quiet place, and I enjoyed the  
view of the lake and the surrounding country.

At last I got up and walked back to the  
house, where I found my mother and father.

They were very glad to see me, and I told them  
about my walk and what I had seen.

They asked me if I wanted to go for a walk  
again, and I said yes, so we went out again.

We walked along the lake shore, and I saw  
many birds, including a heron and a swan.

After a while we stopped to rest, and I told  
my mother and father about the birds I had seen.

They were very interested in what I had seen,  
and I told them all about it.

At last we got home, and I told my mother  
about my walk and what I had seen.

She was very pleased with me, and I told her  
all about the birds I had seen.

After a while we went to the lake again,  
and I saw many more birds, including a heron and a swan.

At last we got home, and I told my mother

and the first signs of fall are now quite apparent. The sun rises at 6:15 A.M. and sets at 4:15 P.M., while the stars appear at 5:30 P.M. and the moon at 7:30 P.M. The temperature has fallen from 75° F. on the 1st to 50° F. on the 21st, and will probably drop to 40° F. by the 25th.

November fifteen found us at

the Indian River.

The river is about half its size in summer, having been reduced to a mere stream of water, which is about 10 feet wide and 18 inches deep. The banks are covered with dense vegetation, consisting of palm trees, cocoanut palms, and various species of tropical plants. The water is very clear and transparent, and the fish are numerous and of various kinds.

We passed through the village of Tulembo, where we saw many natives, who were engaged in fishing and other pursuits. We also saw several small boats, which were used for carrying goods and passengers. The people here are very friendly and hospitable, and we were welcomed by the chief of the village, who gave us a hearty welcome.

We continued our journey down the river, passing through several smaller villages, until we reached the mouth of the river, where we found ourselves in the open sea. The water was very calm, and the sky was clear and blue. The sun was setting, and the sky was filled with a golden glow.

We spent the night on board our boat, and at daybreak we continued our journey. The water was still very calm, and the sky was clear and blue. The sun was rising, and the sky was filled with a golden glow. We passed through several smaller villages, and finally reached the coast of Central America, where we found ourselves in the open sea again.

We continued our journey down the coast, passing through several smaller villages, and finally reached the city of Panama, where we found ourselves in the open sea again. The water was still very calm, and the sky was clear and blue. The sun was rising, and the sky was filled with a golden glow.

**Gratiarum actio pro beneficiis anno elapso  
a Deo acceptis.**

*Post Vespertas solemniter celebratas, pro gratiis  
anno elapso a Deo acceptis, cantatur Hymnus cum  
precibus ut sequitur:*

Te Deum laudamus: \* Te Dominum confitemur.

Te aeternum Patrem: \* omnis terra veneratur.

Tibi omnes Angeli: \* Tibi coeli et universae potestates.

Tibi Cherubim et Seraphim: \* incessabili voce proclamant:

Sanctus, Sanctus, Sanctus: \* Dominus Deus Sabaoth.

Pleni sunt coeli et terra: \* majestatis gloriae tuae.

Te gloriosus: \* Apostolorum chorus.

Te Prophetarum: \* laudabilis numerus.

Te Martyrum candidatus: \* laudat exercitus.

Te per orbem terrarum: \* sancta confitetur Ecclesia.

Patrem \* immensae majestatis.

Venerandum tuum verum \* et unicum Filium.

Sanctum quoque \* Paraclitum Spiritum.

Tu Rex gloriae \* Christe.

Tu Patris \* sempiternus es Filius.

Tu ad liberandum suscepturus hominem, \*  
non horruisti Virginis uterum.

Tu devicto mortis aculeo, \* aperuisti creden-  
tibus regna coelorum.

Tu ad dexteram Dei sedes \* in gloria Patris.

Iudex crederis \* esse venturus.

Te ergo quaesumus tuis famulis subveni, \*  
quos pretioso sanguine redemisti.

Aeterna fac cum Sanctis tuis \* in gloria  
numerari.

Salvum fac populum tuum Domine, \* et  
benedic haereditati tuae.

Et rege eos, \* et extolle illos usque in ae-  
ternum.

Per singulos dies \* benedicimus te;

Et laudamus nomen tuum in saeculum, \* et  
in saeculum saeculi.

Dignare, Domine, die isto \* sine peccato nos  
custodire.

Miserere nostri, Domine, \* miserere nostri.

Fiat misericordia tua, Domine, super nos, \*  
quem admodum speravimus in te.

In te, Domine, speravi \* non confundar in  
aeternum.

V. Benedicamus Patrem, et Filium, cum Sancto  
Spiritu.

R. Laudemus, et superexaltemus eum in saecula.

V. Domine, exaudi orationem meam.

R. Et clamor meus ad te veniat.

V. Dominus vobiscum.

R. Et cum Spiritu tuo.
